<u>Annual Report, 2020-21</u>

Session 2020-21 commenced on 01st April 2020.

- All classes were on online mode for the whole school. (After Nationwide Complete Lockdown was declared on 20th March and school never got to open for classes.)
- From second half of April till May, study materials (videos with voice over by teachers, questions and answers, assignments, audio recordings of explanations by teachers) were sent to the students through class WhatsApp groups. For Baby to Group II, study materials and activities were put up on the Seesaw application.
- June 2020, videos of live lessons were prepared by all subject teachers and provided to the students through the school website, www.mariamanipur.org. Initially, these lessons were personally prepared at the teacher's residences.
- A significant component of our online class features was the inclusion of co-curricular activities. Teachers prepared videos of their classes for Music, Dance, Drawing, Craft, Physical Education (mostly yoga performed by the PE teachers, Mr Noren and Mr Dhanabir).
- Ms Tangja, Health Wellness Teacher, unfailingly prepared videos on Soft Skills and regularly evaluated activities submitted by the children.
- July-August: Completion of registration procedure and admission to Class XI, 2021-22, were done at the Rotary Bhawan, Mantripukhri.
- August: 13th and 15th were observed online with student performances being recorded and shared with all students on the school website.
- Whenever there were relaxations in the daytime curfew hours, teachers were guided and assisted in making videos of their live classes at the Grub, as we were not allowed access to the school campus.
- May to 1st half of September: The School premises were out of bounds to all staffs. Welkin Block was utilised by the state government as a Quarantine Centre for inmates returning from Red Zone regions of the country.
- September:

- Teacher's Day was observed online on 5th. Students shared videos of their performances – songs, dances, speeches.
- NEET-UG, 2020 was conducted on 12th September with our school as one of the centres.
- Manna Phanjoubam (School Topper, Science, AISSCE 2020) and Tennyson Pangeijam, (School Topper, Humanities, AISSCE 2020) were felicitated on 21st September in the school conference hall in a humble gathering of about 15 people following strict Covid protocols. Both were presented with a laptop each in appreciation of their exemplary performances.
- Live virtual classes on Zoom started from September, for Class I to XII.
