Kayden ROLL NO- 15  
class 2

Friday

3200 Roll - NO 14

Monday

Art & design ( cut and paste activity ) - making house by using colour paper, scissors & fevicol.

# Physical education-Stretching exercise.

A soft pink-themed illustration. At the top, dark brown branches of cherry blossoms with light pink flowers and yellow centers are scattered across the frame. In the center, a large, bright white full moon is partially obscured by the blossoms. Below the moon, there are stylized, layered mountains in various shades of pink and light red. The background is a gradient of light pink, and there are small, white, petal-like shapes floating around the scene.

*Thank you*
